

## Technical Support Volunteer

As Technical Support Volunteer you will work with the Team Manager to support athletes, as far as possible, to deliver their best performances at the competition.

Objective: To provide coaching/mentoring support for athletes whilst at competition

Reports to: Team Manager

Responsibilities:

- To coordinate training whilst at competitions
- To support athlete's preparations for each race
- To plan and coordinate athlete support at each race
- Support team logistics including internal travel and food

Requirements:

- Knowledge and experience of international orienteering competition
- Excellent interpersonal skills with ability to communicate effectively at all levels
- Excellent organisational and administrative skills
- Ability to prioritise and attention to detail
- Experience of supervising and working with a team
- Ability to remain calm in high-pressure situations
- Complying with all aspects of British Orienteering's Health & Safety Policy, Child Protection policy and Welfare arrangements.
- Current Driving Licence
- Be committed to supporting the prevention of doping behaviour and ensuring compliance with WADA code

Other information:

- Reasonable expenses to be covered whilst attending competitions
- This post will be reviewed following competitions through feedback from athletes, coaches and other interested parties.
